

and Republicans work together, we can move America ahead.

National service will be America at its best, energizing our youth, meeting our Nation's needs, and reuniting all of us in the common work of citizenship. This legislation joins our Nation's finest traditions of building community, rewarding responsibility, and offering opportunity.

I want in particular to thank those Republicans who found the courage and vision to support this landmark legislation. When we put partisanship behind us and work together, we really can change America.
